

IS•BOX Plus / MPlus

Collettori sanitari premontati in cassetta a incasso
Sanitary manifolds pre-installed in recessed box

PRODUZIONE
COMPONENTI
IDROTERMICI

La famiglia IS•BOX si arricchisce con due novità: IS•BOX Plus e IS•BOX MPlus, che uniscono i vantaggi di una IS•BOX standard alla flessibilità dei collettori sanitari componibili EASY•LOCK, consentendo di personalizzare sia la tipologia di collettori che il numero di uscite.

IS•BOX family expands with two new products: IS•BOX Plus and IS•BOX MPlus, combining the features of standard IS•BOX with the flexibility of EASY•LOCK modular sanitary manifolds, allowing you to customise both the type of manifolds and the number of outlets.
