Today, Aldes brings a breath of fresh air in five ways to private housing, flat blocks, commercial and industrial premises.

- Ventilation
- Centralised Vacuum Cleaning Systems
- Air diffusion and distribution
- Fire Protection
- Sound attenuation

Oggi Aldes propone prodotti innovativi per realizzazioni di impianti nelle abitazioni Individuali, Collettive e del Terziario in 5 settori diversi:

- Ventilazione
- Aspirazione polveri centralizzata
- Diffusione e distribuzione aria
- Protezione incendio
- Acustica
